6. SAFETY AND BEHAVIOUR

The D'Urville Island Wilderness Resort is promoting a social tournament that is family friendly. We expect all entrants' behaviour while at the resort to be kept to a friendly and mature manner. There is no BYO alcohol to be consumed on the premises of the Café/Bar/Wharf and prizegiving areas. Those who have booked accommodation may consume their own alcohol in the immediate area of their accommodation only.

The D'Urville Island Wilderness Resort will be notifying the coastguard, Marlborough-Nelson radio of our competition and how many people/vessels we have taking part. It is advised that you make your own calls to Marlborough-Nelson radio and let them know your intentions. You may also call the resort on VHF channel 01 at any time.

7. MOORINGS

Mooring priority will be given to those who have booked accommodation. The larger moorings will be awarded to the larger vessels. Once all the moorings have been taken you will be expected to either anchor your vessel or raft up with other vessels on the same mooring. Rafting up will be the boat owners' risk and responsibility.

8. WHARF

You are expected to use the wharf only for loading and unloading of your vessel. You are not to leave your boat unattended on the wharf. Due to the large volume of vessels, a quick turnaround of vessels is essential. We encourage the use of both sides of the wharf if conditions suit.

9. ENTRY FORMS

All entry forms and fees must be submitted and paid by Friday 20th June. No late entries on the day of competition will be accepted. Due to the huge interest entries are limited to the first 50 boats entered. The fees are to be paid online to the account stated on the entry form.
